September 9, 1976

Dear Harold,

Thanks for your helpful letter of 8/7. I sent K Jim the copies you requested of the NYT article on the NAA; enclosed is an extra copy for you.

Also enclosed is a copy of the Zodiac piece on you. Coming from a well-established and widely known critic of the agencies, your comment on the Schweiker Report should have some impact.

I hope the enclosed index to the Schweiker report is helpful.

Best regards,

Paul
